

A

Storage

AR Demo 2 · Station A of 4

Tape the four station sheets at different places in the room, a few meters apart (on walls, shelves or tables, roughly at chest height). The demo sends you from station to station.

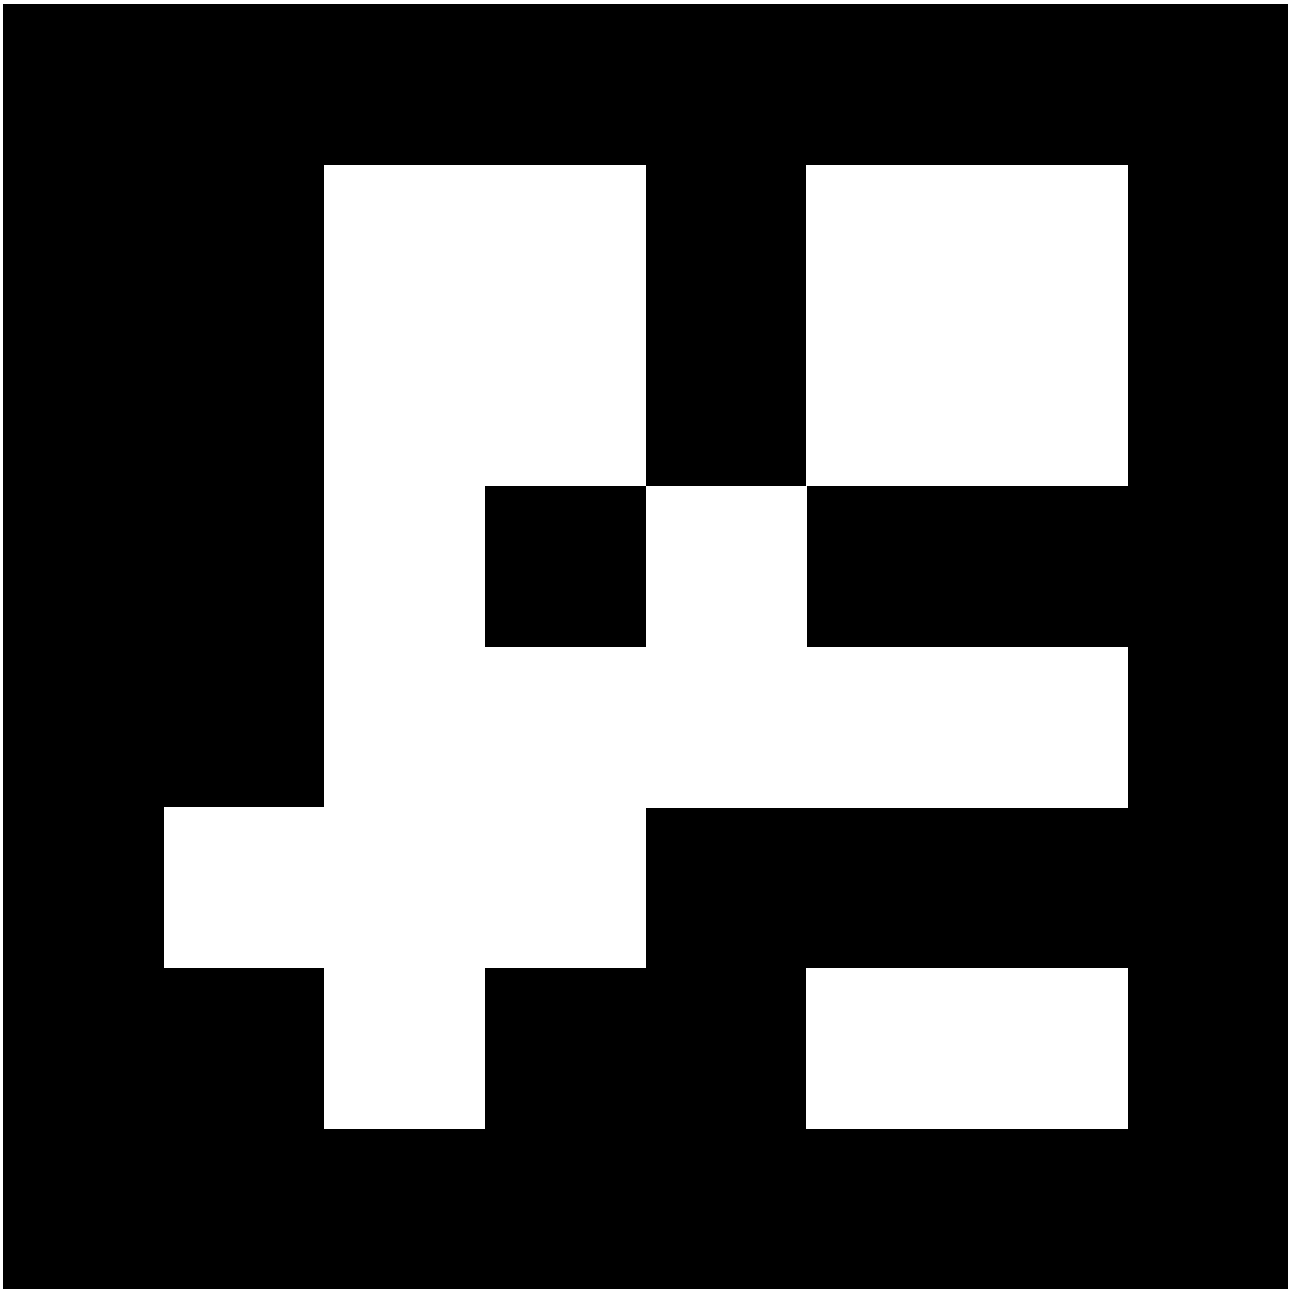

B

Assembly

AR Demo 2 · Station B of 4

Tape the four station sheets at different places in the room, a few meters apart (on walls, shelves or tables, roughly at chest height). The demo sends you from station to station.

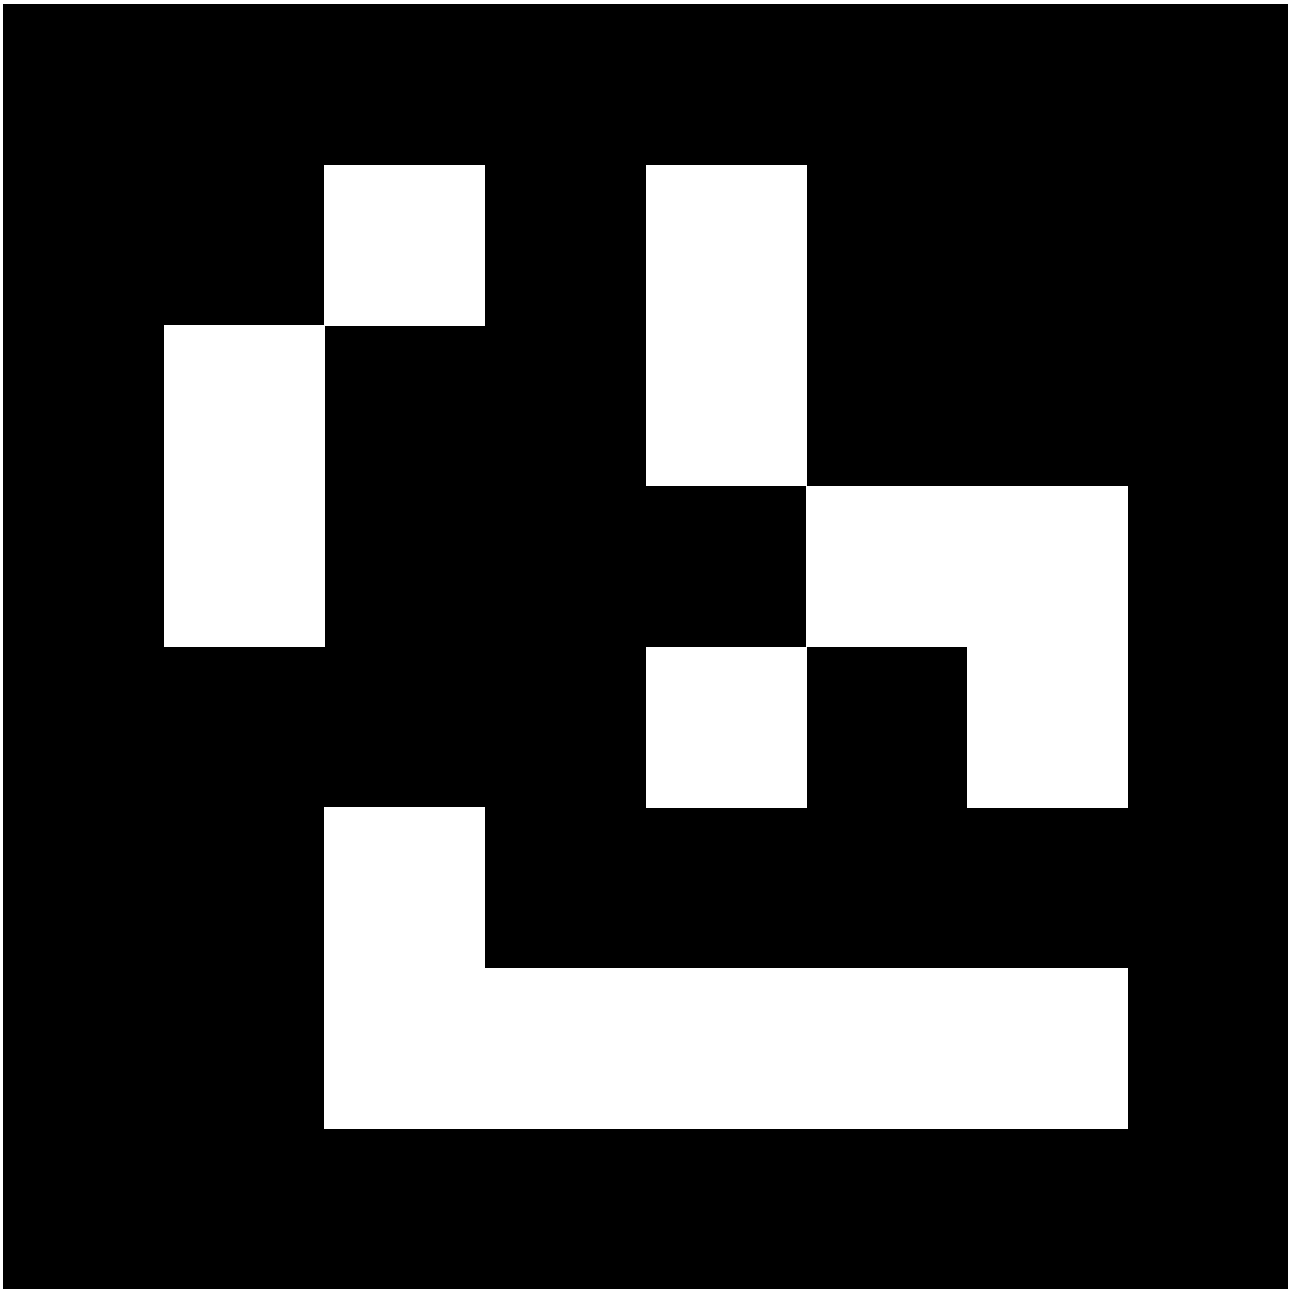

C

Test bench

AR Demo 2 · Station C of 4

Tape the four station sheets at different places in the room, a few meters apart (on walls, shelves or tables, roughly at chest height). The demo sends you from station to station.

D

Shipping

AR Demo 2 · Station D of 4

Tape the four station sheets at different places in the room, a few meters apart (on walls, shelves or tables, roughly at chest height). The demo sends you from station to station.
